# COMMERCIAL VINYL UPHOLSTERY

The Nolan Collection includes a comprehensive range of seating vinyls specifically designed for commercial interiors. Sourced from some of the worlds leading manufacturers, this range has been carefully selected to compliment all types of décor and interior design. Modern technology has changed the look and feel of vinyls. The Nolan Collection range of colours, textures and finishes are almost endless, providing a flexible option for any commercial interior.

## KEY PRODUCT FEATURES

- ✓ *Durable and abrasion resistant*
- ✓ *Easy clean surface*
- ✓ *Stain resistant*
- ✓ *Anti-bacterial*
- ✓ *UV stabilised*
- ✓ *Fire retardant*

## CONSUMER GUIDE

Time and time again, after bitter experiences flirting with traditional woven fabrics, specifiers return to vinyl for the commercial environment. Vinyl is economic, durable but above all hygienic and easy to clean. Add these intrinsic benefits to the colours, patterns and soft textures that are now available through modern technology and you get the best of both possible worlds. Performance and functionality with good looks.

## PRODUCT DETAILS

For decades, iconic Australian textile names such as Cordova and Capri have been proven and trusted in the commercial environment. Developed to withstand the harsh Australian elements, applications for Vytex are only limited by your imagination.
